

WAS A GAME ONLY IN NAME

Italian A. C. Had a Merry Time with University of Vermont Seconds

VISITORS PLAYED POOR BASEBALL

They Managed to Get 6 to the Home Team's 11 on Saturday

For the second time in a season that is still on stilts an out of town team brought disappointment and anything but baseball to a goodly gathering of fans assembled at the Berlin street grounds. Saturday it took the Italian A. C. but a few moments to demonstrate its superiority over the University of Vermont seconds and after that the job of doing the college boys to a brown turn was assigned to the I. A. C. ponies. Although the score was 11 to 6, it was not a large crowd for the youngsters. Weaver, Tomasi and Mendez did most of the twirling for the locals, with Mendez bearing the brunt of the battle. Against the I. A. C. trio a young Lochinvar from up north made essay carry off the plum. He carried away the plum, but it wasn't exactly a plum of the succulent yellow eling variety. Instead, by common consent, Collegian Burleson was awarded the big fruit for being about the poorest pitcher who ever steered the onion toward a batter in the I. A. C. arena.

Two innings sufficed to roll up a total of 10 points for the Italians and after that the substitutions were so numerous that no one seemed to care whether rallies were registered or not. Tommie Tomasi, at his worst, let the visitors down with a brace of runs in the third and again in the seventh the young men from the state university stirred their joints and shook down a couple of counters. There were infrequent flashes of good playing, but for the most part the game was a comedy of errors, the like of which it is hoped will not be repeated on the local turf in this good year of 1916. The score:

Brief Decisions.
Mooney, lifting a high one to center in the seventh, would have been an easy out but for an auto which was wheeling through Jack Brown's garden at the moment. The ball landed near the running board of the car and beyond the reach of the gardener, who naturally sidestepped at the approach of the car.

Calderara, a recruit from the North Barre D. C. V., performed well behind the bat.

Prancing around the paths, old Will Maiden belied his years. Will is playing better ball than in 1899, the year he graduated from the sand-lot game.

Big Joe Comelli was content to let the youngsters do the backstopping after the third reel.

"I DON'T SUFFER ANY MORE"

"Feel Like a New Person," says Mrs. Hamilton.

New Castle, Ind.—"From the time I was eleven years old until I was seventeen I suffered each month so I had to be in bed. I had headache, backache and such pains I would cramp double every month. I did not know what it was to be easy a minute. My health was all run down and the doctors did not do me any good. A neighbor told my mother about Lydia E. Pinkham's Vegetable Compound and I took it, and now I feel like a new person. I don't suffer any more and I am regular every month."—Mrs. HAZEL HAMILTON, 822 South 15th St.

When a remedy has lived for forty years, steadily growing in popularity and influence, and thousands upon thousands of women declare they owe their health to it, it is not reasonable to believe that it is an article of great merit?

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

MEDICINES, LIKE MEN

Have Character—Appearance, Quality, Merit, Results.

The first favorable impression made by Hood's Sarsaparilla is confirmed by continued use. It is a harmonious combination of compatible ingredients, perfect pharmaceutically—that is, it is the finest product of most skillful pharmacy. And in therapeutic value—or power to cure—it is one of the best medicines America has ever produced.

On the practical side, which, of course, is the most important to you, Hood's Sarsaparilla for forty years has been demonstrating its curative power in relieving complaints arising from impure blood, low state of health, poor digestion, inactive kidneys and liver.

For your humors, or for rheumatism, weak stomach, loss of appetite, that tired feeling—take Hood's Sarsaparilla. It will do you good.—Adv.

able number of the Vermont variety players, the coach would have a delicate time in filling the vacancies from the second team.

Once there was a teacher who marked a certain pupil's spelling paper with his eyes shut. When he opened his optics he found the word "deficient" written automatically across the sheet.

The Vermont coach, in such a contingency, could pick his recruits from behind a veil.

Jack Cleary is bashing the ball like a fend these days.

As we limp to press the cement has not been applied to the proposed consolidation of the I. A. C. and B. A. C.

Requiring a guarantee from an outside team that it has attained a mark of .75 in baseball would be a good policy for the I. A. C. management to adopt, here on the threshold of the season.

MANY ERRORS WERE COSTLY

Montpelier Seminary Defeated By Randolph Agricultural School at Montpelier by the Score of 12 to 2.

A glance at the error column of the box score explains the reason why the Randolph Agricultural school baseball team was able Saturday afternoon to run their score into double figures and Clapp, a southerner, who twirled for the visitors, kept Montpelier seminary from hitting the ball while his team captured the game, 12 to 2. The contest, if it must be dignified by such a name, lacked any features worthy of mention and both teams lacked the "pep" to make it a ball game.

Kelley, the M. S. second sacker, had a very bad day, making four errors on half a dozen chances, and his teammates, the majority of them at least, tried to emulate him. That they failed to equal his record was due perhaps to the fact that they didn't have so many opportunities to blunder.

Three errors, three hits, two of them triples, but scratch hits at least, accounted for three tallies in the opening inning for the "Aggies" and gave spectators an inkling of what was to follow. The seminary made their lonely pair of marks in the third when two errors and a hit by Granat brought over the only runs they were able to make. Mary also contributed a hit but was caught napping off third base and died quietly.

Granat would have pitched a creditable game had his fielders given him any encouragement in the line of support, the Barre youth striking out eight men and walking but two. Holway did even better but his support was worse if anything. Clapp worked easily and steadily, giving the impression that he could do better if forced to exert himself. The seminary plays Spaulding in Montpelier Wednesday.

Hartford High in 11th.
White River Junction, May 15.—Hartford high defeated South Royalton high Saturday in 11 innings, 10 to 9. Hartford and Royalton were tied for the lead in the Northern Windsor County league and this put Hartford ahead, as they have won all league games played. The score by innings:

ITS FIRST WIN IN LEAGUE.

Whitcomb High School Defeated Woodstock, 15 to 10.

Bethel, May 15.—Whitcomb high school won its first baseball game of the season last Saturday, a league game with Woodstock high school on Keeler's field, by a score of 15 to 10. Both teams consist largely of young players, the visitors having failed thus far to win any of the league games. Ryan pitched and fielded well. Newton made two singles and two doubles in five times up. The errors by Davis were considered excusable because of a slight lameness. He made up by good hitting and base running. The locals hammered Atwood in the third for six runs. The score:

EVEN BREAK IN TWO DAYS

Goddard Seminary Defeated Tufts College Second Team, 4 to 2

LOST TO DEAN ACAD. BY SCORE OF 9 TO 4

Keefe Pitched the Winning Game, but Davidson Was Wild

In their invasion of southern New England, the Goddard seminary baseball team has broken even thus far, having defeated the Tufts college second team at Medford, Mass., Friday, by the score of 4 to 2 and having succumbed to Dean academy at Franklin, Mass., Saturday, by the score of 9 to 4. Keefe pitched against the college boys and held them safely, while Davidson, twirling at Franklin, was rather wild and was touched up in a lively fashion. The games were as follows:

Medford, Mass., May 15.—Goddard seminary baseball team outpointed Tufts 2d Friday afternoon, 4 to 2. Keefe pitched an air-tight game for the visitors, allowing only four hits. The score:

BASEBALL NOTES

Matty has now taken to using the spit ball. He has not the speed he once had, but he is getting so that he can use this ball very effectively in a pinch. He adopted this form of pitching two or three years ago but has never used the ball to any extent until this season.

Walters, catcher for the Yankees, has been showing up well lately. If he continues to show this kind of playing it is a safe bet that Numanaker and Alexander will stay on the bench for some time.

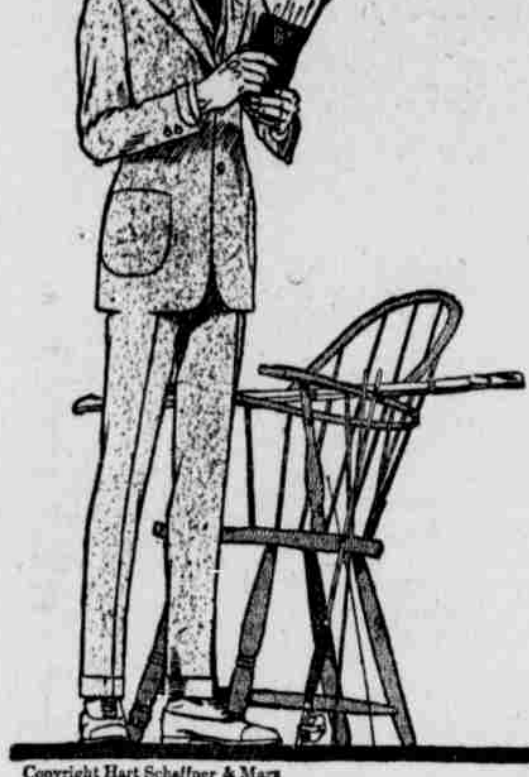

Pres. Johnson has made a new rule in regard to balls hit into the bleachers or grandstand at the Polo grounds. In the future these hits will count as home runs regardless of where they land between the foul posts.

ANSWER NO QUESTIONS ON ARCHER-GILLIGAN CASE

Authorities Decline to Tell If There Will Be Further Disinterments.

Hartford, Conn., May 15.—No information from an authoritative source was

given out in the Archer-Gilligan case Saturday, in which Mrs. Amy Archer-Gilligan is under arrest charged with having killed Franklin R. Andrews, an elderly inmate of the home she managed at Windsor, by poison. These questions were put to State's Attorney Hugh M. Alcorn, Capt. Robert T. Hurley of the state police and Colonel (alibon):

"Will there be any further disinterments of bodies in connection with the Gilligan case?"

"Has the state any suspicion as to the cause of the death of Michael Gilligan, second husband of the woman under arrest, who is alleged to have died in great agony?"

"Has the state any suspicion as to the cause of the death of Mary Rachett of Guilford, who died July 3, 1914, on the night after the day in which she had telephoned to friends in Guilford that she wished to come home?"

Mr. Alcorn declined to answer these. Capt. Hurley said that all information would have to come from the district attorney. The coroner said he was still making an inquiry.
